

"Weapon" is defined as any firearm, cross bow, bow and arrow, paint gun, fireworks or explosive device capable of propelling a projectile either by means of an explosion or by, string or spring. "Firearm" is defined as an instrument used in the propulsion of shot, shell, or bullets by the action of gunpowder exploded within it.

(3) No person shall shoot or discharge any weapon within 150 yards of any developed recreational area/site. "Developed Recreational Area/Site" is defined as any site or area that contains structures or capital improvements primarily used by the public for recreation purposes. Such areas or sites may include such features as: delineated spaces for parking, camping or boat launching; sanitary facilities; potable water; grills or fire rings; tables; or controlled access.

(4) No person shall shoot or discharge any weapon towards or in the direction of any public road, signed trail, or developed recreational areas/site where this action could create a hazard to life or property.

(5) For safety reasons, no person shall have in their possession, an open container of alcoholic liquor while shooting or discharging any weapon. And, no person shall be under the influence of a controlled substance or have a blood alcohol content (BAC) of 0.05 (0.01 if under 21 years of age) while shooting or discharging any weapon. "Alcoholic Liquor" is defined in Black's Law Dictionary as any intoxicating liquors which can be used as a beverage, and which, when drunk to excess, will produce intoxication. "Controlled Substance" is defined in Black's Law Dictionary as any drug so designated by law whose availability is restricted, included are narcotics, stimulants, depressants, hallucinogens, and marijuana.

(6) No person shall shoot or discharge any firearm loaded with tracers, armor piercing or steel jacketed bullets.

(7) No person shall shoot or discharge any weapon at any appliance, television, object containing glass, or other target material which can shatter and cause a public safety hazard as a result of the projectile impact or explosion. The shooting or discharging of any shotgun at "clay pigeons" is permitted. Persons on these public lands which shoot or discharge any weapon are required to remove and properly dispose of all shooting materials; including shell boxes, targets, shell casings, etc.

(8) No person shall transport in a vehicle or conveyance or its attachments on any public road a firearm unless it is unloaded or dismantled. A firearm is

considered loaded for the purposes of this section when there is an unexpended cartridge of powder and a bullet or shot, in, or attached in any manner to, the firearm, including but not limited to, in the firing chamber, magazine, or clip thereof, attached to the firearm; except, that a muzzle loader firearm shall be deemed to be loaded when it is capped or primed and has a powder charge and ball or shot in the cylinder or barrel.

(9) No person shall have a loaded firearm on display when in any developed recreational area.

(10) No person shall discharge any weapon from a powerboat, sailboat, motor vehicle or aircraft while under power or still moving from use of sail or motor.

(11) Except with a valid permit, no person shall carry a concealed weapon.

(12) No person shall have in their possession a shotgun which has an overall length of less than 26 inches and/or barrel or barrels of less than 18 inches in length.

(13) No person shall have in their possession a rifle which has an overall length of less than 26 inches and/or barrel of less than 16 inches in length.

DATES: All comments and information shall be submitted in writing by February 6, 1995.

ADDRESSES: All comments concerning this proposed rulemaking should be addressed to David Howell, District Manager, Bureau of Land Management, Ukiah District Office, 2550 North State Street, Ukiah, CA 95482.

FOR FURTHER INFORMATION CONTACT: Patrick Hagan, Ranger, Ukiah District Office, (707) 468-4076.

SUPPLEMENTARY INFORMATION: These shooting regulations are being established to provide consistency and uniformity for shooting on Bureau of Land Management administered lands throughout the Ukiah District of California, and to prevent user conflicts and provide greater safety to the visiting public. These supplementary rules or shooting do not supersede regulations already established.

Authority for these regulations is contained in CFR title 43, Chapter II, Part 8360, Subpart 8364.1 and 8365.1-6. Violations of the supplementary rules under authority of 43 CFR 8365.1-6 are subject to a fine not to exceed \$1,000 and/or imprisonment not to exceed 12 months.

David Howell,
District Manager.

BILLING CODE 4310-55-P

INTERNATIONAL TRADE COMMISSION

[Investigation No. 337-TA-358]

Certain Recombinantly Produced Human Growth Hormones; Notice of Commission Determination Not To Review an Initial Determination Granting Complainant's Motion To Amend the Complaint and Notice of Investigation To Withdraw a Patent Claim

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review the presiding administrative law judge's (ALJ's) initial determination (ID) in the above-captioned investigation granting complainant Genentech, Inc.'s motion to amend the complaint and notice of investigation by withdrawing claim 38 of U.S. Letters Patent 5,221,619 from the investigation.

FOR FURTHER INFORMATION CONTACT:

Mark D. Kelly, Esq., Office of the General Counsel, U.S. International Trade Commission, telephone 202-205-3106.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on September 29, 1993, based on a complaint filed by Genentech, Inc. of South San Francisco, California. 58 FR 50954. The following five firms were named as respondents: Novo Nordisk A/S of Denmark; Novo Nordisk of North America, Inc. of New York; ZymoGenetics, Inc. of Seattle, Washington (collectively, "the Novo respondents"); Bio-Technology General Corp. of New York; and Bio-Technology General Corp. (Israel) Ltd. (collectively, "the BTG respondents").

At the pre-hearing conference on April 8, 1994, complainant Genentech orally moved to amend the complaint by withdrawing claim 38 of the '619 patent from the investigation. The parties addressed complainant Genentech's motion in their post-hearing submissions. The Commission investigative attorneys (IAs) supported complainant's motion. The Novo respondents and the BTG respondents opposed complainant's motion. No petitions to review the ID were filed and no government agency comments were received.

This action is taken under the authority of section 337 of the Tariff Act of 1930, 19 U.S.C. 1337, and Commission interim rule 210.53 (19 C.F.R. 210.53).

Copies of the ID and all other nonconfidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street S.W., Washington, DC 20436, telephone 202-205-2000. Hearing-impaired persons are advised that information on the matter can be obtained by contacting the Commission's TDD terminal on 202-205-1810.

Issued: December 28, 1994.

By order of the Commission.

Donna R. Koehnke,

Secretary.

BILLING CODE 7035-01-P

[Finance Docket No. 32629]

Pioneer Railcorp; Continuance in Control Exemption; Minnesota Central Railroad Company

Pioneer Railcorp (Pioneer), a noncarrier holding company, has filed a notice of exemption to continue in stock ownership control of Minnesota Central Railroad Company (MNCR), its wholly owned noncarrier subsidiary, when MNCR becomes a class III rail carrier. MNCR concurrently filed a notice of exemption in *Minnesota Central Railroad Company—Acquisition and Operation Exemption—MNVA Railroad, Inc.*, Finance Docket No. 32628, to acquire from MNVA Railroad, Inc. (MNVA), a class III rail carrier, and operate a 146-mile rail line in Minnesota. Consummation was scheduled for December 13, 1994.

Pioneer owns and controls seven other class III rail carriers: West Jersey Railroad Co., operating in New Jersey; Fort Smith Railroad Co., operating in Arkansas; Alabama Railroad Co., operating in Alabama; Mississippi Central Railroad Co. (formerly Natchez Trace Railroad), operating in Mississippi and Tennessee; Alabama & Florida Railway Co., operating in Alabama; Decatur Junction Railway Co., operating in Illinois; and Vandalia Railroad Company, operating in Illinois.¹

Pioneer states that: (1) The properties operated by these carriers do not connect with each other or any railroads in their corporate family; (2) the continuance in control is not part of a series of anticipated transactions that would connect the railroads with each other or any railroad in their corporate family; and (3) the transaction does not involve a class I carrier. Therefore, the transaction is exempt from the prior approval requirements of 49 U.S.C. 11343. See 49 CFR 1180.2(d)(2).

As a condition to use of this exemption, any employees affected by the transaction will be protected by the conditions set forth in *New York Dock Ry.—Control—Brooklyn Eastern Dist.*, 360 I.C.C. 60 (1979).

Petitions to revoke the exemption under 49 U.S.C. 10505(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the transaction. Pleadings must be filed with the Commission and served on: Donald G. Avery and Patricia E. Dietrich, Slover & Loftus, 1224 Seventeenth Street, N.W., Washington, DC 20036.

¹ See *Pioneer Railcorp—Continuance in Control Exemption—Vandalia Railroad Company*, Finance Docket No. 32594 (ICC served Oct. 28, 1994).
